

24" I-Beam Tradesman Level

The Empire 24 in. I-Beam Tradesman Level features rugged I-beam aluminum frame construction for durability and has beveled endplates to protect against damage if the level is dropped. The level is accurate up to .001 in. for reliability and has a top-read window for your convenience. The 3 vials provide level and plumb readings.

INCLUDES:

(1) 24" I-Beam Tradesman Level (540-24)

FEATURES:

- Durable acrylic vials
- Impact resistant endcaps protect frame and vials
- Hang hole for ease of storage
- Top read window provides clear overhead viewing
