MADE IN THE USA

***YOU PUT EVERYTHING
YOU NEED FOR YOUR
JOB INTO THEM.***

***THAT'S WHY WE
PUT EVERYTHING
WE HAVE INTO
MAKING THEM.***

American ingenuity at work, Howard & Charles Kennedy created the country's first metal toolboxes and storage cabinets over a century ago. Today, the first is still the finest – our **Kennedy® Signature Series** is designed and built with the best materials and craftsmanship so that they'll last a lifetime – GUARANTEED.

Featuring industrial grade metal, stronger load capacity and spacious, secure tool storage. These cabinets live up to expectations as best in class because they are built right and built for life. **GUARANTEED.**

MADE IN THE USA

INDUSTRIAL GRADE. AMERICAN MADE.

KENNEDYMFG.com

A photograph of a male worker in a dark blue polo shirt and safety glasses operating a large industrial machine in a factory. The machine is green and black, with various dials and levers. The worker is leaning forward, focused on his task. The background shows other industrial equipment and a large overhead light fixture. The entire image is framed by a white geometric shape, possibly a stylized wrench or a similar tool, which is partially obscured by the text.

HMS™ SERIES MODULAR CABINETS

Our **Hybrid Modular System** combines the economy of roller cabinet construction with modular cabinet features. Compact, high-density storage that saves space while it organizes parts, tools and supplies. Cabinets are stackable, can be fork-lifted or used as work stations. Cabinets can also be used as work station base cabinets, using two cabinets to support work surface or one cabinet with adjustable work station leg.

SHOP SERIES

SHOP SERIES

MADE IN THE **USA** 

SHOP SERIES

STEP 1: CHOOSE YOUR BASE

We currently offer four unique configurations in both 46" and 60" widths. Choose the setup(s) that best suits the individual needs of your shop.

STEP 2: SELECT A SURFACE

Coated MDF work surface is the standard, or upgrade to the quality & looks of a brushed stainless steel surface.

STEP 3: WATCH THE SPLASH

Stainless steel plated or painted backsplashes offer both looks and durability. Choose between a solid or pegboard design to suit your needs.

STEP 4: PICK A CANOPY

Lockable overhead storage is a must-have in any shop. Canopies can be conveniently mounted to a wall.

STEP 5: ADD SUPPORT

Every canopy needs support. If wall-mounting is not an option, a support beam kit can safely anchor an overhead canopy and backsplash to the base unit in three easy steps.

STEP 6: GUARD THE BASE

These are 'manly' skirts. Not only do base guards give your setup a finished look; they also keep objects from rolling underneath base units.

STEP 7: ADD SECURITY

We offer a 46" Cart Locker Add-On that can be used to secure your service cart.

STEP 8: LINK 'EM UP

Finish off your multi-base configuration with stainless steel counter tops seams that keep small parts from falling between units.

BYOB: BUILD YOUR OWN BOX

Order pre-configured cabinets shown or custom design your own.

Kennedy's work stations include all the components you need for an individual bench or a complete work station complex.

Standard 60" or 46" combinations or custom design units available.

LIMITED WARRANTY

Kennedy Manufacturing Company products are warranted by Kennedy® Manufacturing Co., Van Wert, Ohio, against defects in workmanship as long as you own the product. This is a lifetime warranty. Kennedy® will repair or replace any products which fail to give satisfactory service due to defective workmanship or materials. Kennedy® will not warranty any product subjected to abnormal use. Abnormal use includes unreasonable use, misuse, neglect, lack of maintenance or modification.

LIMITATION OF LIABILITY

To the extent allowable under applicable law, Kennedy's liability for consequential and incidental damages is expressly disclaimed. Kennedy's liability in all events is limited to, and shall not exceed, the purchase price.

HISTORY

Kennedy® tool and storage cabinets can be customized to suit your needs today and tomorrow. You can plan on plenty of tomorrows for your Kennedy® because every one we make is built to last - GUARANTEED.
