

## Miter Saw Stand Table Top

Designed to be used with the Milwaukee® Folding Miter Saw Stand (48-08-0551), the table top allows users to keep items like pencils, tapes, blue prints and other items close at hand. It also serves as a work space to perform addition tasks like sanding, coping or routing. The table top features solid metal construction for jobsite durability. It also features a recessed tray to hold pencils, pens and items that might roll off the table.
